

## The Deby Lewis Foundation

The Deby Lewis Foundation was established in 2016 in honor of Deby Lewis, a long-time Eastwood High School Student Activities Director and Ysleta Independent School District School Board Trustee.

The Deby Lewis Foundation is led by a volunteer Board of Directors committed to honoring Deby's legacy by raising money to support scholarships for students graduating from Eastwood High School.

In her 36-years at Eastwood, her lasting legacy was as a Student Activities Director, where she served not only students at Eastwood, but provided a shining example of leadership for student council sponsors across Texas and the United States. When she retired from teaching, she served on the Ysleta ISD School Board from 2011-2015 as the representative for the Eastwood learning community. In her time on the board, Deby worked tirelessly to make sure that the schools in her area were afforded equal opportunities and that the students were receiving an unsurpassed education.

The Deby Lewis Foundation has affiliated as a fund of the Paso del Norte Foundation. The Paso del Norte Foundation is a 501(c)(3) nonprofit organization established in 2013 by the Paso del Norte Health Foundation to accept and manage gifts from individuals, corporations and foundations to support health, education, economic development and quality of life in the region.

May she continue to Shine on Forever.
